Letter of Support for Lethbridge Exhibition Expansion

On behalf of 4-H in Southern Alberta we are extending our support for the Lethbridge Exhibition Ag Plex Development. Lethbridge & District 4-H has been involved with the Lethbridge Exhibition for the past 90 years and it has been a great relationship. This has been exhibited by the tremendous event that was hosted by the Exhibition on Jan 19, 2013 in celebration of 100 years of 4-H in Canada. It was a fantastic event where 4-H clubs from across the Southern Region provided a trade show during the afternoon and a wonderful banquet was held in the evening with over 650 in attendance. It is great to have an organization that works well with youth and agriculture. We look forward to many more years of working with the Lethbridge Exhibition and the use of their facilities.

Yours sincerely,

Myrna Brewin
Past President
Southern Alberta 4-H Regional Council
