Dear Rudy,

On behalf of the Allied Arts Council of Lethbridge (AAC), I would like to extend thanks for the informative presentation on the Exhibition Park expansion project that you presented to the AAC Board of Directors at the February 21, 2013 Board of Director's meeting. We truly appreciate receiving first-hand information on an exciting and clearly needed facility project for the exhibition and for the community.

The AAC recognizes the value of adequate facilities that address the diverse interests of the citizens of our community. Given this awareness, the Board of Directors is happy to provide this letter supporting the inclusion of the Exhibition Park improvement project in the next City of Lethbridge ten year Capital Improvement Program.

Again many thanks for the presentation and best wishes for your facility project.

Sincerely yours,

Gloria Torrance, President
Allied Arts Council of Lethbridge
